## Do You Ever Ask:

*Why don't they do something about the traffic around here?*

*How long will that car be parked in front of my house?*

*Why can't my neighborhood be beautiful, safe and friendly?*

If you do, you're not the only one asking these questions. Without voicing your questions, they won't be addressed by local government, the police, your friends or your neighbors.

**Join SONA today to have your voice heard!**
