

Sherman Oaks Neighborhood Association

Sherman Oaks Neighborhood Association is a volunteer group of residents working to make our neighborhood a better place to live work and play. Newsletter funds are paid for through dues and advertising.

Issue 136 of your local neighborhood newsletter.

Notes From the President

The Bascom Community Center is Open...kind of.

With little notice and not much public fanfare, the Bascom Community Center held a one day registration event on Saturday May 19th from 10:30am-2:30pm. Thanks to SONA member Susan Price-Jang who made sure our schools were advised.

The Bascom Community Center will open the doors to the public on June 18th!

Summer youth programs and adult fitness are the focus right now. The youth camps operate every week and are reasonably priced. Thanks to a Federal grant they also have a discount that allows families who have children that qualify for school lunch program to enroll at a great discount.

The fitness center and gym will be open for league sports and classes. There will be open gym times in the evenings and on Saturdays.

You can call the center at 794-6282 to register for classes or get more information. Office hours are Monday 5-9pm, Tues-Thurs 2-9pm, Friday 2-7pm, Saturday 9am-4pm and the center is closed on Sundays. You can also go online to register for classes at www.sanjoseca.gov/prns/communitycenters/bascom

The Bascom Library has no opening date set.

SONA General Meeting

****NO MEETING****

Take a break and celebrate the beginning of summer with your dad, grad and family members.

The SONA board is looking forward to our scheduled meeting in July when we have our annual Ice Cream Social. Stay tuned for this event because we expect to hold it in the newly opened Bascom Community Center.

Just because the city isn't throwing a grand opening party, that doesn't mean we can't celebrate!

And, we hope to schedule the first outdoor movie night soon.

Enjoy the beginning of your summer, stay safe and we'll see you in July.

See you next month!

Your SONA Board
